MANIA . THE LION. KNOX

THE LADY WITH THE IRON JAW

✦ Mania Knox is a circus female flyer but she was at first discovered as a lion tamer. One day during a performance, one of her lions bit her and then lost a part of her finger... ✦

✦ When the lion bit Mania, something magical happened ; some of the lion's strength was transferred into her body. Unable to train during her hand recovery, she discovered that her mouth grip was becoming incredibly powerful: She could hold her entire bodyweight with her jaw strength only.

She then became what she is known as today

Mania "The Lion" Knox,
